**NEW YORK BAR EXAM
SURVIVAL GUIDE**

Summer 2009

Introduction

This guide to the New York Bar Exam was created by members of the New York Howard University School of Law Alumni Association who are also members of the New York State Bar. It is filled with advice reflecting many diverse points of view and attitudes towards the Bar Exam. Our hope is that it will serve as a resource to you during your preparation for the exam. We offer what we have learned in hopes that you achieve the success we know will be yours with the proper preparation. Our most important “Bar Tip” is this: seek out to the wisdom of others, but trust yourself to know what is best for you and listen most carefully to your own head and heart.

We eagerly look forward to welcoming you as fellow Members of the New York Bar!
